

PSYCHIATRY NEEDS YOU

~ TRAINEE CAREERS DAY IN PSYCHIATRY ~

Friday, 1st December 2006 2:00pm - 4:00pm
New Lecture Hall, St. Patrick's Hospital, Dublin 8

The Trainee Section of the Irish College of Psychiatrists is organising an information day for students, interns and NCHDs with an interest in psychiatry.

There will be a series of presentations by Consultant Psychiatrists, each section followed by an Question & Answer session.

This is an opportunity to learn more about psychiatry as a career, in particular the broad range of subspecialties available.

Presentations from the main psychiatric specialities to include Learning Disability, Addictions, Social and Rehabilitation, Child & Adolescent, Forensic, Adult, Old Age and Psychotherapy.

The presentations will be followed by an opportunity to meet and chat informally with SHOs, Registrars and Senior Registrars.
